

# Digital Photography and Media Services for the Visual Arts

Special Edition • May 2010

## ***Services For Artists***

### **Digital Imaging**

A wide range of photographic services are available to artists. These include high-resolution digital images, prints, and CDs or slides for show entries.

### **Fine Art Prints**

We offer Giclée Fine Art Prints on several different papers and on canvas in sizes up to 24" x 36". Your prints are made using only the highest quality, acid-free archival papers and pigment inks.

For more information, visit us online at [www.ShootMyArt.com](http://www.ShootMyArt.com).

## ***The Learning Center***

Free lessons from the popular seminar, *Digital Imaging for Artists*, are online to help you understand the basic concepts and terminology, along with tips on photographing your artwork and preparing the images.

## ***About Us***

ShootMyArt.com™ is your source for digital photography and media services for the visual arts. We specialize in meeting the needs of visual artists and arts organizations in a variety of mediums. We will work with you one-on-one to present your artwork at its best.

Tel: 248.398.6119  
Email: [Studio@ShootMyArt.com](mailto:Studio@ShootMyArt.com)

## ***Congratulations to The Palette & Brush Club on Your New Web Site!***

We are proud to have been chosen to build your new web site and to have you as a client. We look forward to meeting your needs with the highest-quality online services.

## ***Get Your Artwork Online, Too.***

"Do you have a web site?" ... and wish you did? As a Palette & Brush Club member, you can add your artwork to the site with an Artist Page. This is an affordable way to showcase your artwork online for galleries and prospective buyers with a professionally designed web page.

### **What's the Cost?**

A basic Artist Page costs only \$45. It includes ten images of your artwork, a deluxe slideshow with larger images, and a short artist statement (up to 250 characters). Use digital images you already have or arrange for professional photography of your artwork. More images or text can be included for additional cost. Or add a document (such as a resume or show announcement) or a link to another web site (such as a gallery or exhibition).

Hosting is free as a benefit of your membership, so there is no monthly cost. You pay only for updates as needed. Once online, your Artist Page is reached from a link on the Members page at [PaletteandBrush.org](http://PaletteandBrush.org) or with a direct link you can put in an email or on a business card or postcard.

### **How Do I Get Started?**

Contact Eric Law by phone at 248.398.6119 or by email at [Studio@ShootMyArt.com](mailto:Studio@ShootMyArt.com) to schedule a free, no-obligation consultation.

### **Already Have a Web Site?**

Be sure to email the internet address to Lisa Richter at [lisarichter@comcast.net](mailto:lisarichter@comcast.net) so we can add a link to your site.
